## Friendly, Knowledgeable, Agents

**Friendly** and knowledgeable employees are the leading factors when striving to have the best customer service. At DisVetMedical, the customer is the priority anytime, every time and all the time. Expedient and professional service prevents any delay in patient care and builds trust with each and every one of our clients.

As a provider of products and services to Veterans and Veteran providers, we see getting it right the first time as the only option. We train our employees to understand, our customers perception is our reality. Product and price can be duplicated but excellent customer service rarely will be. DisVetMedical strives daily to have the best customer service in the industry.

## The company that's right for you >>>

As a minority, service disabled veteran owned, small business, I understand the struggles that many of our veterans and their providers are confronted with. Needing products and services but having to struggle through until you can finally get them was a problem I also shared. With companies like DisVetMedical supporting you, you will receive what you need when you need it. It is my personal guarantee as the President of DisVetMedical and as a veteran and as a provider of your products and services.

**-Kevin A. Rasberry, President**
